EXPERIENCE

Administrative Assistant

December 2024 – Present

Continental Management

Detroit, MI

- Maintain accurate applicant records and track application status using property management software and internal systems (OneSite)
- Serve as the first point of contact for prospective tenants, providing information on property availability, leasing terms, and application requirements
- Communicate screening outcomes and next steps clearly to applicants, ensuring transparency and efficiency throughout the leasing process

Sales Associate

August 2023 – November 2023

Auto Zone

Taylor, MI

- Delivered exceptional customer service by assisting customers with automotive parts selection, troubleshooting, and product recommendations based on vehicle needs
- Assisted with inventory management, including stocking shelves, organizing merchandise, and conducting cycle counts

PUBLICATIONS & PROJECTS

Technical Project: At Home Library Management Software

2025

- Designed and developed a Java-based application to manage a personal library, enabling efficient tracking of books, authors, and lending activity
- Implemented search and filtering functionality to quickly locate books by title, author, genre, or availability

Directed Play: “I Don’t Want To Talk About It”

Woodhaven High School Theater, 2024

- Balanced creative leadership with organizational management, ensuring efficient workflow and successful show delivery
- Directed a full-scale theatrical production, translating script analysis into cohesive staging, pacing, and performance execution.

Wrote and Directed: “Spotlight, Center Stage”

2024

- “Spotlight, Center Stage” is a concert band piece written in 2024 to highlight the stresses and joys of performance as a school musician, performed by the Woodhaven Concert Band and receiving school-wide recognition and positive audience feedback
- Composed and arranged original music tailored to the ensemble’s instrumentation and skill level
- Directed rehearsals and performances, ensuring musical interpretation, balance, and stylistic accuracy

VOLUNTEERING & MEMBERSHIPS

EMU Women in Computer Science | *President*

2026 – Present

- Planned and facilitated weekly meetings focused on professional development, fostering allyship and mentorship, and creating learning opportunities for members
- Developed initiatives to promote a supportive community among women in tech, encouraging collaboration and knowledge sharing among peers
- Led efforts to engage members in meaningful discussions on diversity, equity, and inclusion within the tech industry, empowering them to advocate for themselves and others

Scouting America | *Senior Patrol Leader*

2019 – 2023

- Designed and delivered structured learning sessions to help members complete rank requirements and earn merit badges
- Led meetings, activities, and events by organizing agendas, delegating responsibilities, and ensuring effective participation
- Elected by peers to serve as the top youth leader, representing and supporting members across the troop

Woodhaven Theater Company | *Head Sound Designer*

2022 – 2024

- Led the design and execution of soundscapes for theatrical productions, aligning audio elements with directorial vision and storytelling goals
- Managed all aspects of sound production, including system setup, microphone placement, cue programming, and live audio mixing
- Collaborated closely with directors, stage managers, and technical crews to ensure seamless integration of sound with lighting and stage design

Woodhaven Marching Band | *Section Leader*

2021 – 2024

- Managed section logistics, including attendance, equipment, and communication of schedules and expectations
- Taught music, drill, and marching techniques to ensure consistency in sound, timing, and visual execution
